GAS SERVICES

Flames Gas Services is renowned for bringing quality service, security, customer satisfaction and peace of mind to owners and users of gas central heating systems and gas fires in the West Midlands. We are a division of Flames Fireplaces Ltd that has been designing, selling and installing quality fireplaces, gas fires and domestic gas boilers in the West Midlands for over 25 years.

Flames Gas Services provides a comprehensive range of services including the servicing of domestic central heating systems, boiler servicing, gas fire repairs and servicing, provision of landlords' gas safety certificates, emergency callouts for boiler breakdowns, leaking radiators and pipes and many other gas appliance servicing and repairs.

We also design and install central heating systems and fires and as an accredited installer of Vaillant boilers we offer a 5-year manufacturer's warranty on all our Vaillant installations.

Flames Gas Services is a Gas Safe registered Company, with over 25 years experience of maintaining and installing gas central heating systems and gas fires for domestic property owners and landlords. We offer friendly, professional help and advice either on a 'pay as you go' basis or for complete peace of mind over the year, the Flames Gas Services Premium Annual Service Agreement covers you for annual servicing and for emergencies such as a boiler breakdown, for a modest monthly payment.

***Subject to a survey of the system, Flames Gas Services Premium Service agreement provides:**

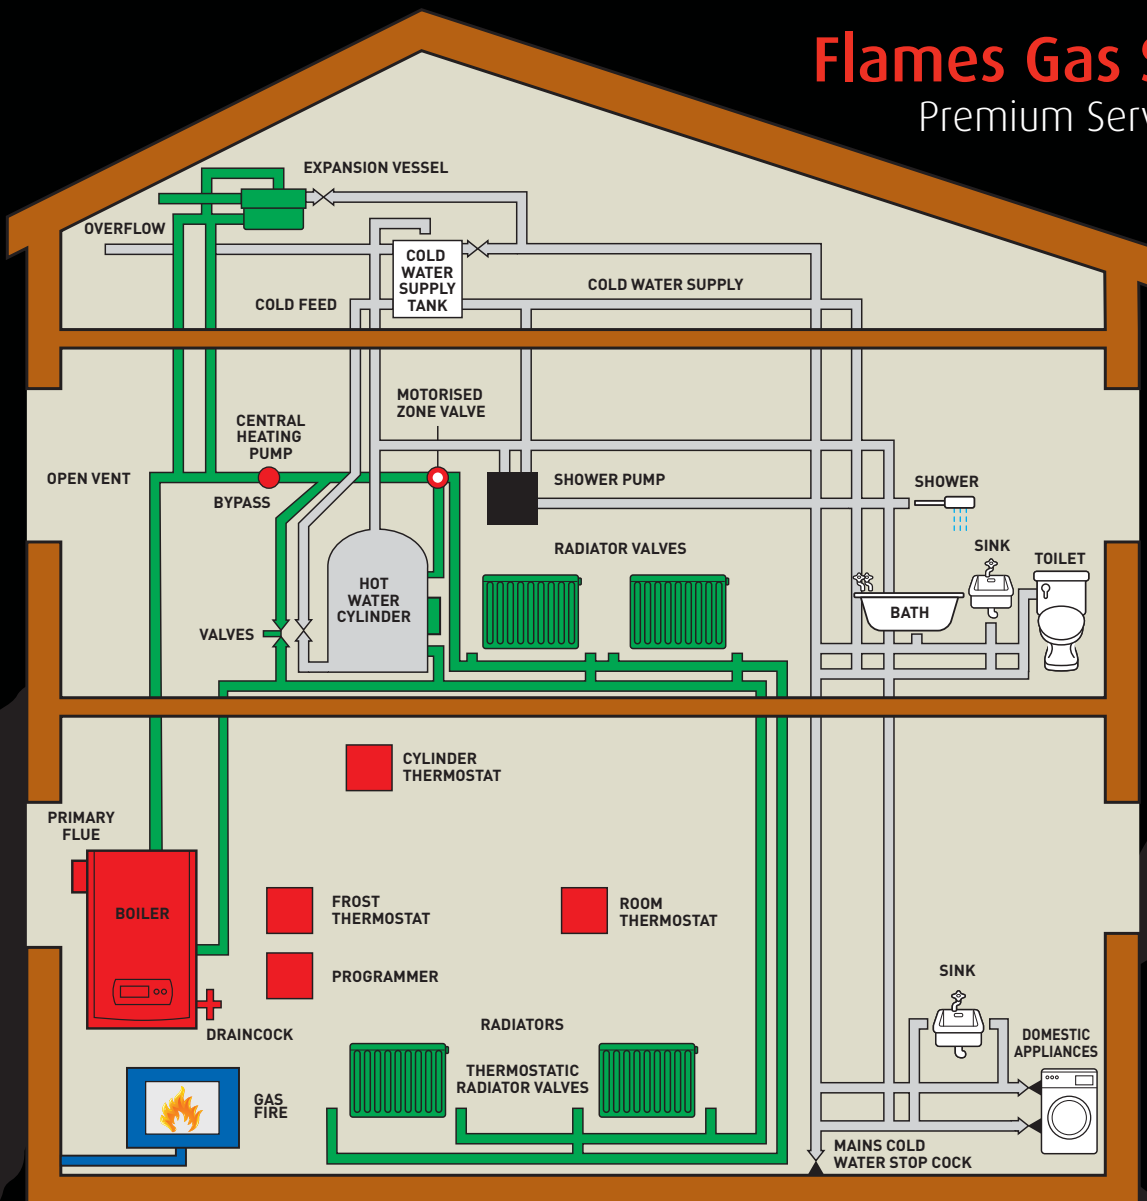

- Annual services of boilers and other equipment for systems under contract
- Repairs
- Fully qualified Gas Safe engineers
- No charge on parts/labour on services and breakdowns
- Low monthly payments
- Peace of mind and no worries about sudden large repair bills
- Landlords' certificates for those customers with domestic rental property
